About the Ryan Harth Foundation

The Ryan Harth Foundation was created in loving memory of Ryan Harth Steigerwald — a devoted father, loyal friend, and compassionate presence whose kindness shaped every life he touched. Ryan believed in showing up for people, especially kids, and in finding light even during life's hardest moments.

After his passing, Ryan's family and closest friends came together with a shared purpose: to honor his heart by helping children who are navigating the pain and uncertainty of losing a parent. What began as a memorial effort quickly grew into a mission-driven foundation rooted in empathy, support, and community.

Today, the Foundation provides scholarships, direct support, and access to transformative programs like Experience Camps — giving children the opportunity to heal, grow, and connect with others who understand their journey. Through every child we help, Ryan's spirit continues — steady, supportive, and full of love.

Our Mission

We are committed to honoring the memory of Ryan Harth Steigerwald by providing financial assistance, emotional support, and meaningful opportunities to children who have lost a parent — helping them pursue their educational dreams and build brighter, more hopeful futures.

Our Vision

A world where every grieving child feels supported, understood, and empowered — with access to healing communities, educational opportunities, and a future full of possibility.

Our Values

- Compassion — We lead with empathy, meeting children and families with understanding, patience, and care.
- Community — We believe healing happens together — through connection, belonging, and shared support.
- Integrity — We honor Ryan's legacy with transparency, accountability, and respect for every family we serve.

How Your Sponsorship Makes a Difference

Every dollar raised at the Big Ryan Classic goes directly toward supporting children who have lost a parent. Here's where your investment makes an impact:

Experience Camps

Experience Camps provides free, one-week bereavement camps for children ages 9–17 who have lost a parent or sibling. These camps bring healing, community, friendship, and joy. One week can truly change a child's life — and it costs families nothing.

- Cost per child: ~\$2,000 (fully funded by donations)
- 8 camp locations nationwide
- 1,500+ kids served annually
- Eligibility: Ages 9–17 who have lost a parent

Direct Family Support

In partnership with school counselors, educators, and community organizations, we provide additional support to families navigating life after loss:

- Holiday gifts for children
- Clothing, essentials, or school supplies
- Enrichment activities (sports, music, camps, etc.)
- Program fees (hockey, golf, after-school programs, etc.)
- Emergency or short-term financial assistance

Scholarships

The Foundation provides scholarships to help children who have lost a parent pursue their educational goals — honoring Ryan's belief that every child deserves a future full of possibility.
